

Evert Haasdijk: now

- Teaching interests:
 - Machine Learning(BA)
 - Collective Intelligence (BA)
- Research:
 - On-line Adaptation, particularly in:
 - Evolutionary Robotics
 - Collective Adaptive Systems

Evert Haasdijk: then

- Teaching interests:
 - Machine Learning (BA)
 - MA course on Evolution in Collective Systems/Artificial Life
- Research:
 - On-line Adaptation as now
 - Co-evolution of Morphology and Control in Physical Systems (e.g. Robots)
 - Safety in Adaptive Systems
