

# Ben Kröse: now

- Teaching interests:
  - Intelligent Autonomous Systems
  - Intelligent Environments
- Research interests
  - Robot perception
  - Machine Learning
  - E-health systems

# Ben Kröse: future

- Teaching interests:
  - Intelligent Environments
  - Internet of things
  - Joint projects with industry
- Research interests
  - E-health systems
  - Sensory systems for activity recognition
    - Distributed sensing
    - Representations
    - Data fusion
    - Machine learning
