Maarten van Someren: now

- *Teaching interests:*

    – Machine Learning and Data Mining

    – AI research methodology

- *Research interests:*

    – Machine Learning and Data Mining

        • Semi-supervised Learning

        • Active Learning

        • Applications in intelligent buildings/energy, health monitoring, educational data mining, multivariate time

        • Occams Razor

Maarten van Someren: then

- *Teaching interests:*

  – Machine Learning and Data Mining

  – AI research methodology

- *Research interests:*

  – Machine Learning and Data Mining

    - Transfer Learning

    - Semi-supervised Learning and Active Learning

    - Applications in intelligent buildings/energy, health monitoring, educational data mining, multivariate time
