

Spyros Voulgaris: now

- Teaching:
 - Internet Programming (MA)
 - Computer Networks Practical (MA)
 - Computer Systems (Architecture + Oper. Systems) (BA)
- Research interests:
 - Peer-to-Peer / Distributed Systems
 - Cloud Computing
 - Mobile Ad-hoc Sensor Networks
 - Social Networks
 - Generally: Self-organization for massive-scale systems

Spyros Voulgaris: then

- Teaching interests:
 - Distributed Systems
 - Operating Systems
 - Networking courses
 - Cloud stuff
- Research interests:
 - Cloud computing
 - Massive Gaming
 - Social Networks
 - Bioinformatics
 - Massive-scale Graph Processing
