

Shimon Whiteson: now

- Teaching Interests (Msc AI)
 - Autonomous Agents and Multi-Agent Systems
 - Reinforcement Learning
- Research Interests
 - Multi-Agent Decision-Theoretic Planning
 - Reinforcement Learning
 - Stochastic Optimization
 - Applications:
 - Robot Control
 - Information Retrieval

Shimon Whiteson: future

- Teaching Interests (Msc AI)
 - Autonomous Agents and Multi-Agent Systems
 - Reinforcement Learning
- Research Interests
 - Multi-Objective Planning and Learning
 - Active Perception for Multi-Robot and Multi-Camera Systems
 - Reinforcement Learning for Human-Computer Interaction
 - Nonlinear Reinforcement Learning for Online Learning to Rank in Information Retrieval
